

Introducing the Pilates 25.5"/65cm Smart PLAYBALL: Revolutionizing Recovery and Exercise

Unlock New Possibilities with Advanced Performance Tracking

Discover the newest addition to our Smart PLAYBALL lineup — the Pilates 25.5"/65cm Smart PLAYBALL. This larger size joins our existing range of 7.4"/19cm, 11.8"/30cm, and 15.7"/40cm versions, opening up a world of whole new exercises and measurements, tracking every movement with precision using our innovative technology and the PLAYWORK app.

Key Benefits

- ✓ New Pilates 25.5"/65cm size for expanded exercise variety & options.
- ✓ Ideal for lower limb recovery, core & balance training.
- ✓ Ideal for exercises like squats, push-ups, plank, balance drills and more..
- ✓ Enhance rehabilitation with detailed, specific feedback for each drill.

Based on the familiar Pilates balls, now with advanced tech for precise tracking and engaging interactive games.

”

"The 65CM Smart PLAYBALL has really upgraded my practice. The detailed tracking of force motion & reps made my patients recovery faster and more effective."

— Emily R., Physical Therapist
